Redefining the problem

- Key Insight** 44% of Aussies want to turn their hobby into a side hustle.
But when it comes to taking the next step they often lack the real confidence to make their move.
- Target Audience** For a lot of them, there's a dream of turning these passions into side hustles.
However, with tight budgets and limited know-how, they often feel unsure about the next steps.
- Task** Help Aussies turn the things they really love doing into an income stream.

The proposition
